

Title: Growing and keeping faith

Introduction

God has called to a wonderful faith and granted us an opportunity to share in this faith with all. Whenever we meet together we get the opportunity to not only share our faith but also to build each others faith, edifying and helping to keep it.

A .Jude vs 3-4

We are to contend for our faith. Battle , wrestle, fight for our faith.

Why?

Its important to Both God Almighty and to you and I

B .Romans 1:5-10

Paul was looking forward to meeting the Church in Rome to :

(1) impart in them a spiritual gift.

(2)edify their faith as he gets edified by third . mutually benefiting from each others faith.

Having and growing faith is important to :

God. Luke 18:8

You and I 1timothy 4:7 and Luke 18:8,

1peter1:3-10

A growing faith is crucial

A genuine faith is essential

It will determine your destiny. As it results in the salvation of our souls

Matthew 17:20

This passage is profound

Jesus is glorified. And his disciples do not understand at first up the mountain

Down the mountain the other lit has no healing faith. Actually they have too little a faith, they had been with the Lord yet they were not growing in their faith.

They did not even have mustard seed faith.

We too can be in church advancing in years in the KOG but diminishing/shrinking in faith.

Illustrated - (will send photos on WhatsApp)

The corn Fields

One - Lush green healthy corn/expected-good harvest

Two- withered /choked/ unhealthy corn / no harvest expected

Point

If these were two faith . then one is great faith

And the other little faith.

Two things amaze Jesus:

Great faith

Lack of Faith

What are you amazing Jesus with? Growing in faith and keeping faith then is imperative if our goal is to make it to eternity with Christ Paul in 1 Timothy

Therefore let's consider how we may grow our faith in God , building it up consistently and helping others to do the same pleasing God. We keep our faith we save pur souls.
Be blessed
